

Pinnaroo is a rural community situated on the Mallee Highway 250 km from Adelaide and mid-way between the South East and Riverland of South Australia. The Pinnaroo Show & Field Day is a special local event that attracts a large attendance (approximately 2000) from local and neighbouring communities, and a good variety of traders (local and from outside the district). It is a focal point of the local calendar and draws entries in a wide range of sections from wool, pets, plants to cookery, arts, yard dogs, shearing, horses in action - a great variety. Competitors travel from all areas of South Australia, as well as from Victoria and New South Wales, and our literature is sent to these areas in the months prior to the show. The sideshows keep the young (and not-so-young) occupied, going on into the night when a spectacular fireworks display is staged from the main oval.

How about joining us to promote/sell your goods in the Trade Space area? It's a great opportunity to show our district what you have to offer, and people traditionally seem to be in the mood to spend at such an event.

Trade Space price details are included in this brochure and we would be pleased to discuss your involvement or answer any queries you may have.

Please contact our Secretary if you would prefer an electronic copy of this brochure - osterj@bigpond.com.

We encourage you to consider taking part in our big day and look forward to hearing from you.
